Why Salves Fall While a Simple Liquid Has Accompillated Thousand of Cures.

It is now thoroughly established among the best medical authorities that eczems is purely a skin disease, due to a germ and curable only through the skin. It is not a blood disease, due to a germ and curable only through the skin. It is not a blood disease, due to a germ and curable only through the skin disease and are perfectly faithy otherwise, and therefore prove hey have no diseased blood.

Smeary salves cannot reach the erms because they do not penetrate te skin. The only way to reach the srms is by means of a peretraining fuld.

Such a liquid can be obtained by size yields.

GONNELLY CASE

[Specia: Cable to The Times-Dispatch.]
ONDON, November 21:—The truth is that the present attention contains so many elements of danger that every prudent government will keep itself prepared for all eventualities and every participation. self prepared for all eventualities and every patriotic Englishman will indorse the wise words in which Mr. Balfour on Thursday night urged his countrymen to look not only to the navy, but also to the army, as its necessary complement." The foregoing is the concluding sentence of a long pessimistic leader in to-day's Times, dealing with the latest phase of European politics.

Failing to agree on a satisfactory verified, the jury which heard the evitable of the army, but also to the army, but also to the army, and the present of the provided provided agreement actors last seminate that the provided provided in the pure with the orders at the December that will be ordered at the provided provi

The most favorable feature of the situation is the progress of the negotiations between Turkey and Bulgaria, although even here Austrian influence is acting as a deterrent. The Oriental Railway, which is owned by Austria, is making extreme demands on Bulgaria and delaying an agreement.

Bosnia and Herzegovina have long been terra incognita so far as news is concerned, and Austria has fostered the idea that she has done great things

Treatment of the Press.

The Nation prints to-day a letter from its correspondent at Sarajevo describing some of the features of the

describing some of the features of the tyrannous government. He says:

"The press is one of the greatest obstacles to the Germanizing of Bosnia. Therefore, it is treated far worse than any other country, not excepting Russia. After the Young Turk movement succeeded at Constantinople, Editor Serbsky, of the Serbsky Retch, of Sarajevo, remarked that now Bosnia is the only country in Europe that has not got a constitution. For this offense the editor was kept in prison for four months without trial. nonths without trial.

with the press. I visited a Serb news-paper office and found that the only foreign papers in the office were the Nieue Freie Presse, of Vienna, and the Pesther Lloyd, of Budapest, both semi-official Austro-Hungarian papers. Every other foreign paper is seized in the post, and if the editors manage to get French or English papers sur-rentitiously and translate from them

discussed.

For this offense the editor was sent to prison, and is still in fail. Journalists are quite unable to say what kind of an article will entail confiscation, so that all the Serb papers now have been cut to one small page daily, with one side of the page blank.

### We'd Rather Have a Large Business With Small Profits

Than do a small business with large profits-because we believe in making a customer with every sale.

That's another one of the reasons we are selling Suits and Overcoats of the \$30.00 standard at \$20.00.

FOR MONDAY we have the following specials-all in small

iots:
Children's Russian and Sailor Suits, ages 3 to 6; sold at \$4.00; \$4.50 and \$6.00; Lionday, \$1.95.
